

February 2018 Algebra 1 Assignment Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
28	29	30	31	1	2	3
4	5	6	7	8	9	10
	Edgenuity lesson, "Adding and Subtracting Polynomials" due and Candy box project time	Transversal Lesson Group A Edgenuity and project time	Transversal Lesson Group A Edgenuity lesson, "Multiplying Monomials and Binomials" due	Transversal Lesson Group B Edgenuity lesson and project time	Transversal Lesson Group B Edgenuity lesson and project time	Complete the net on your poster board
11	12	13	14	15	16	17
	Transversal Lesson Group C Edgenuity lesson, "Multiplying Polynomials and Simplifying Expressions" due and project time	Transversal Lesson Group C Edgenuity and project time	Group Problem Solving	Transversal quiz Edgenuity lesson, "Factoring Polynomials: GCF" due and project time	Edgenuity due and project time	Complete the art on your poster
18	19	20	21	22	23	24
	Presidents' Day Edgenuity time and project work	Unit Test Due	Edgenuity and project work	Edgenuity lesson, "Factoring Polynomials: Difference of Squares" due and project time	Edgenuity and project work	Complete reflection, cut and tape your box
25	26	27	28	1	2	3

	Edgenuity lesson, "Factoring Polynomials: Sum and Difference of Cubes" due and project time	Candy box Projects Due!	Gallery Walk and Awards			Final Touches
